One person's weed is another's tasty treat

Acacia for Elephants!

When: July 22, 2017, 9 a.m. - noon

Where: Joaquin Miller Park

RSVP: field@sausalcreek.org

Join Friends of Sausal Creek for a multi-purpose weed pull as we remove invasive acacia trees that will be used to feed elephants, giraffes, and camels at the Oakland Zoo. No weed pulling or tree chopping experience needed! All tools, instruction, and snacks will be provided. We will be working with saws on a steep hillside; youth under 15 should be accompanied by an adult who is able to provide close supervision. Please wear sturdy shoes, long pants, layers, and bring a water bottle.

Meet at 9 a.m. at the Friends of Sausal Creek nursery on Sanborn Rd. next to the Woodminster Amphitheater in Joaquin Miller Park.

For directions, visit sausalcreek.org > Event Calendar or contact Jill at (510) 853-3533 or field@sausalcreek.org.
