

Gardening and Birds

PRESENTER: *Patricia Bacchetti*

WHEN: *Wednesday, September 16, 7-9 p.m.*

WHERE: *Dimond Library, 3565 Fruitvale Ave., Oakland*

Gardens in urban areas are an important piece of habitat for birds, particularly during our prolonged drought. Birder, gardener, and past FOSC board member Patricia Bacchetti will talk about several features that you can include in your garden to attract birds year-round. She will also describe the seasonal birds that can visit your garden, where they spend their summers and winters, and why it matters.
