

Intro to iNaturalist

Sunday, March 22

10a.m. – 12p.m.

Dimond Park

Meet at the Scout Hut

Join Friends of Sausal Creek for a hands-on training in how to use iNaturalist to observe and identify the natural world. iNaturalist is a FREE app/website to record observations!

This workshop is designed to prepare you to participate in many of Bay Area bioblitz events happening this spring!

For this workshop we will focus on Benthic Macroinvertebrates from Sausal Creek in Oakland. Together we will practice recording our observation in iNaturalist and identifying organisms found along the watershed.

No experience necessary, and all experience levels are welcome.

Please bring a tablet, smartphone or digital camera.

Community potluck in the park to follow!

Participants must RSVP

1

Record your observations

2

Share with fellow naturalists

3

Discuss your findings
